

# Resources for Finding Clients

**Online portals and directories**

**Associations of translation companies**

**Industry Journals**

**Google Search**

(Keyword search based on your specialization, language pair and location)

**Social media platforms**

(researching finding, connecting)

**Events**

(translation conferences or industry events in your area of specialization)

**Referrals from Current Clients**

**Asking other translators for recommendation**

**Trade Publications**

**International business organizations**

(chambers of commerce, World Trade Center etc.)
